

Choose three activities to do to make a Tic-Tac-Toe pattern in the grid below. You may choose three across, down or diagonally. If you work with a classmate, they must sign the box of the activity when they feel you have done it correctly. You must turn in this sheet before you leave class today.

Create a poster that provides the letter and phonetic sound for the letters A-K	Create a song to learn the French alphabet. (You may not use the alphabet song that sounds like Twinkle Twinkle)	Prepare for a "spelling bee." Create cards with vocabulary from the unit to have classmates spell the words in French.
Dictation – Listen to a list of words. Madame Dunn will spell them in French. Write them down correctly.	Teach an alphabet song to a classmate, then both of you come sing the song to Madame Dunn	Conduct a "spelling bee." With 2 classmates, with you as the host.
Create a poster that provides the letter and phonetic sound for the letters L-Z	Label the music below with the phonetic sounds of the music notes of the song below. (Ahh, Bay, Say, Day, et...)	Participate in a "spelling bee" as a contestant. You must spell at least 3 words correctly.

### Happy Birthday
